GREEN VALLEY LABORATORY

Safety Data Sheet

SECTION 1 - Identification

Name of Preparation or Substance	Amla Oil – Virgin Organic
Recommended Use	For manufacturing and repackaging use only

1.3 Details of the supplier of the Safety Data Sheet

Supplier Name	Green Valley Laboratory
Address	435 Hartford Pike, Killingly, CT 06241, USA
Contact	Help@dauphineorganics.com
Phone	n/a

1.4 Emergency telephone number

Emergency Phone No.	CHEMTREC Emergency Call Center +1 800-424-9300 (US & Canada) - +1 703-527-3887 (Europe)

SECTION 2 - Hazard Identification

Potential Chronic Health Effects	Not available

SECTION 3 - Composition / Information on Ingredients

CAS Number	90028-28-7
INCI Name	Emblica Officinalis (Amla) Seed Oil

SECTION 4 - First Aid Measures

General Advice	In the case of an accident, or if you feel unwell, seek medical advice immediately.
Skin Contact	Rinse immediately with plenty of water for at least 15 minutes.
Serious Ingestion	Not available

SECTION 5 - Fire Fighting Measures

Suitable Extinguishing Media	Carbon dioxide (CO_2), Dry Powder, Foam
Extinguishing Media Not to Be Used	Water
Special Remarks on Fire Hazards	Not available

SECTION 6 - Accidental Release Measures

Personal Precautions	Use personal protective equipment
Environmental Exposure Controls	Avoid subsoil penetration

SECTION 7 - Handling and Storage

Technical Measures/Precautions	Use only in well-ventilated areas
Safe Handling Advice	Avoid contact with skin, eyes and clothing
Incompatible Products	No information available

SECTION 8 - Exposure Controls / Personal Protection

Engineering Measures	Ensure adequate ventilation
Hand Protection	Protective gloves
Eye Protection	Safety glasses
Exposure Limits	Not available

SECTION 9 - Physical and Chemical Properties

Odor	Characteristic
Color	Greenish/yellow to orange/brown
Vapor Pressure	Not available
Vapor Density	Not available

SECTION 10 - Stability and Reactivity

Stability	Product stable under normal conditions of use and storage
Conditions to Avoid	Direct sources of heat
Special Remarks on Corrosivity	Not available

SECTION 11 - Toxicological Information

Inhalation	Under normal conditions of use, no danger.
Routes of Entry	Absorbed through skin. Eye contact.

SECTION 12 - Ecological Information

Aquatic Toxicity	No information available
Mobility	No information available
Persistence and Degradability	No information available

SECTION 13 - Disposal Considerations

Waste from Residues/Unused Products	Dispose of in accordance with local regulations.
Contaminated Packaging	No information available

SECTION 14 - Transport Information

DOT Classification	Not regulated
Class/Division	Not regulated
Proper Shipping Name	Organic Amla Oil
Label	None
Packing Group	N/A
ID Number	N/A

SECTION 15 - Regulatory Information

No information available

SECTION 16 - Other Information

None available

Source document control

Source SDS date	6/16/2025

DISCLAIMER

The information provided in this Material Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text. The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local laws and local regulations remains the responsibility of the user. This safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customers.
