GREEN VALLEY LABORATORY

Safety Data Sheet

SECTION 1 - Identification

1.1 Product identifier

Name of Preparation or Substance	Avocado Oil – Virgin Organic

1.2 Relevant identified uses

Recommended Use	For manufacturing and repackaging use only

1.3 Details of the supplier of the Safety Data Sheet

Supplier Name	Green Valley Laboratory
Address	435 Hartford Pike, Killingly, CT 06241, USA
Contact	Help@dauphineorganics.com
Phone	n/a

1.4 Emergency telephone number

Emergency Phone No.	CHEMTREC Emergency Call Center +1 800-424-9300 (US & Canada) - +1 703-527-3887 (Europe)

SECTION 2 - Hazard Identification

Hazard Symbol	None.
Risk Phrases	Eye irritation

SECTION 3 - Composition / Information on Ingredients

Chemical Identification

INCI Name	Persea Gratissima
CAS No.	8024-32-6
EINEC No.	232-428-0
Conservative Agent	None
Hazardous Ingredient	None
Hazardous Impurities	None

SECTION 4 - First Aid Measures

Inhalation	No hazard for usual industrial handling
Eyes	General laboratory safety glasses.
Skin	No hazard for usual industrial handling
Ingestion	Expected of low ingestion hazard

SECTION 5 - Fire Fighting Measures

Suitable Extinguishers	Dry chemical-carbon dioxide.
Extinguishers Not To Be Used	Unknown
Hazardous Decomposition Products	Combustion will produce carbon dioxide & probably some carbon monoxide.
Special Fire Fighting Procedures	None

SECTION 6 - Accidental Release Measures

Personal Precautions	Against slipping
Environmental Precautions	Against penetration on the soil
Clean Up Procedure	In case of spill, collection by using of normal oil absorbing procedures that are in compliance with all current local, state & federal regulation. Then wash down area with detergent and water.

SECTION 7 - Handling and Storage

Handling Precautions	Keep from contact with oxidizing material
Storage Requirements	Under nitrogen in metal packing
Temp. Max.	40 cent.deg.
Temp. Min.	-2 cent. deg.

SECTION 8 - Exposure Controls / Personal Protection

Occupational Exposure Limit	Preference to keep container tightly closed, dry and cool.
Biological Exposure Limit	None.
Ventilation	Good ventilation should be sufficient.
Respiratory Protection	Good ventilation should be sufficient.
Eye Protection	Safety glasses recommended in industrial operation including chemicals.
Skin Protection	None.

SECTION 9 - Physical and Chemical Properties

Description	Virgin oil obtained from whole ORGANIC avocado fruit
Extracted Method	Produced by cold press centrifugal separation, Absence of any chemicals
Appearance	Bright green weak odor
Vapor Pressure	Negligible
Evaporation Rate (N-Butyl Acetate=1)	Negligible
Volatin Fraction by Weight	Negligible
Solubility in Water (by Weight)	Negligible
Melting Point	-2 cent.deg.

SECTION 10 - Stability and Reactivity

Condition to Avoid	No hazardous reactions known.
Materials to Avoid	Keep from contact with oxidizing material.
Hazardous Decomposition Products	No decomposition by appropriate handling
Stabilisation Techniques	To be filled under nitrogen.

SECTION 11 - Toxicological Information

Routes of Entry	No data available
Acute Health Effects	No data available
Chronic Health Effects	No data available.

SECTION 12 - Ecological Information

COD Value	No data available
BOD-5 Value	No data available
A.OX	Not relevant
General Information	To be used according to normal regulation and prevent spilling of product.

SECTION 13 - Disposal Considerations

Handling Precautions	Usual treatment in accordance with the local regulations.
Method of Disposal	Usual treatment in accordance with the local regulations.
Contaminated Packaging	To be completely empty, can be reused after appropriate cleaning.

SECTION 14 - Transport Information

The product is according to the regulations. Material not dangerous.

SECTION 15 - Regulatory Information

Labeling Advice	Name of product and Lot no.
Hazard Symbol	The product does not require a hazard warning label.
Risk Phrases	None
Safety Phrases	None
Other Relevant Legislation	Does not require a hazard warning label but the normal safety precautions for handling chemicals must be observed.

SECTION 16 - Other Information

None available

Source document control

Source SDS date	6/30/2021

DISCLAIMER

The information provided in this Material Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text. The complete range of conditions or methods of use are beyond our control therefore we do not assume any responsibility and expressly disclaim any liability for any use of this product. Information contained herein is believed to be true and accurate however, all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the material or the results to be obtained from the use thereof. Compliance with all applicable federal, state, and local laws and local regulations remains the responsibility of the user. This safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customers.
